

1. What are the most important **achievements** arising from WSIS that should be highlighted in the Zero Draft? *

-The connection of 2 thirds of tge world's population to the internet
-The increased collaboration by nations to connect the remaining 2.6 billion people
-the embedding of ICT applications for every day life in health education ,agriculture and social

2. What are the most important **challenges** to the achievement of WSIS outcomes to date and in the future that need to be addressed in the Zero Draft? *

-Insufficient investment in broadband infrastructure in rural and remote areas
-limited digital literacy
-insufficient energy / electricity infrastructure to power telecommunication network's and equipment

3. What are the most important **priorities** for action to achieve the WSIS vision of a 'people-centred, inclusive and development-oriented Information Society' in the future, taking into account emerging trends? *

-Digital infrastructure development and investment in rural and remote areas
-universal access
- digital capacity building
Support for innovation and start ups
AI readiness

4. What **additional themes/issues**, if any, should be included in the Elements Paper? *

-Universal access should not be left out of the paper
-focus on all emerging technologies rather than just AI

5. Do you wish to comment on **particular themes/issues/paragraphs** in the Elements Paper? *

-Under building confidence in the use of ICTs, there should be a paragraph dedicated to child online protection
- protection from fraudulent activities ,should also be taken into account

6. What suggestions do you have to support the development of the **WSIS framework** (WSIS Action Lines, IGF, WSIS Forum, UNGIS etc.)? *

There is need for wider consultations , particularly involving experts and young people in each country. Some champions and regulatory Authorities could be given the task.

7. Do you have any **other** comments? *

No

8. Who is **submitting** this input? *

Kindly provide the name of the person submitting this input, as well as the associated country, organization, stakeholder type, and relevant contact information

Caecilia Nyamutswa

9. Please provide your **e-mail** address: *
