

WSIS+20 Virtual Stakeholder Consultations
Monday 13 October & Tuesday 14 October, 2025

Speaker Lists

NOTES:

- The below list reflects a mixed composition of Member State representatives and other stakeholder groups.
- Topics refer to specific sections of the Zero Draft outcome document.
- Topical placements were made based on preferences expressed by the registrants, seeking to balance stakeholder group and organizational distribution, and taking into account the completeness of the registrants' responses.
- Acknowledging that topics are cross-cutting and that several speakers will wish to speak on more than one topic, placements under topical categories are intended as entirely flexible. They do not constitute a limit on the scope of the speaker's intervention.
- The selection of speakers was guided by the Informal Multistakeholder Advisory Board (IMSB).
- Any remaining time in the sessions will be allotted to requests from the floor.

Monday 13 October | 22:15-00:15 EDT | Speaker List
