Expert Dialogue 3: Harmonizing Regional Perspectives on the Standards of Excellence

Objective of the session

During the Expert Dialogue sessions on harmonizing regional perspectives on the Standards of Excellence, the Task Force members will have the opportunity to discuss and offer specific suggestions aiming at proposing new and/or revised global Standards considering the comments from all the regions.

Role of the Chairs

The role of the Chair will be as follows:

- Read out loud the original Standard and then the Standard with the various modifications and suggested changes made by the participants of the regional workshops.
-

- Before opening the discussion to review the text, the Chair asks the Task Force members to reflect on the spirit and focus of the Standard. The Chair may wish to take 3 to 4 comments.
- The Chair then invites Task Force members to provide detailed comments/suggestions on how to move towards a new Standard.
- A note-taker captures in real time the changes proposed as the members provide their suggestions.
- The Chair ensures that all participants have an opportunity to be engaged, and that each intervention does not exceed 3 minutes. The Chair seeks the suggestions of Task Force members that did not have a chance. This will allow for an inclusive and participatory approach.
- The Chair ensures time management.

Role of Discussants

- The Discussants will summarize in 10 minutes the views and positions of the various interventions.
