4. New programs
5. Tracking progress

- ✓ Priority Checklist
- ✓ Policy Choices

Which methods/methodology have been applied?

Desk
Review **30**

2 Virtual meetings
with African experts

Webinar

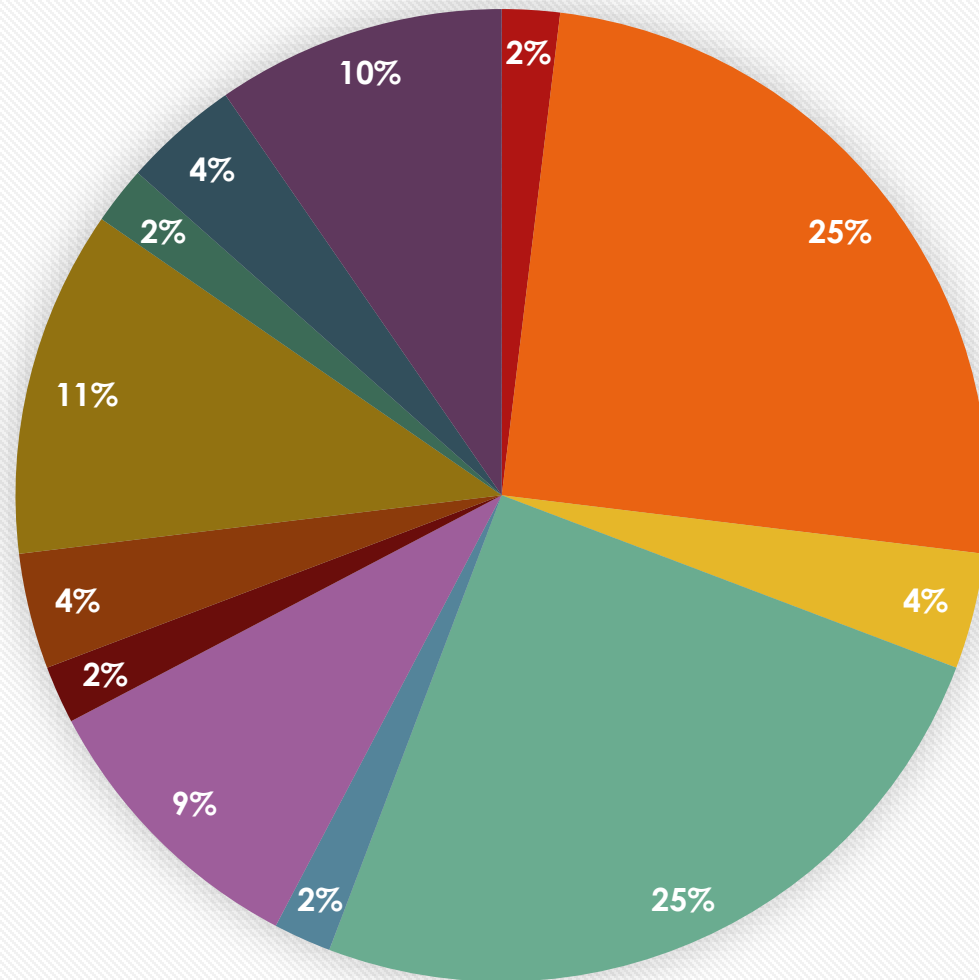

Consultation
and Feedback
20

2 Interviews with
members of
Social Solidarity
Congressional
Committee - Egypt

Pilot Questionnaire of 15 Q
52 Responses from **12** Countries

- Burundi
- Egypt
- Ghana
- Kenya
- Malawi
- Nigeria
- South Africa
- South Sudan
- Tanzania
- Uganda
- Zambia
- Zimbabwe

Countries

SECTORS

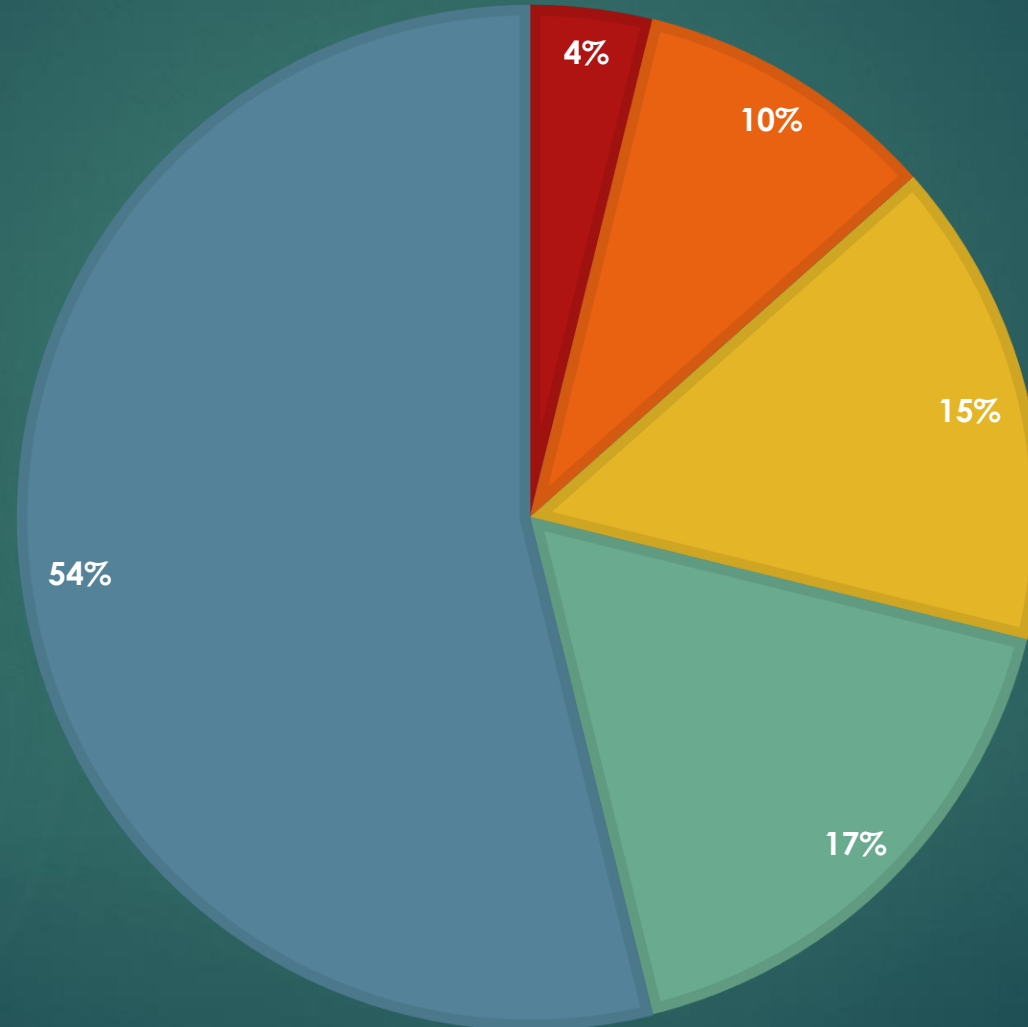

■ Parliament

■ NGOs

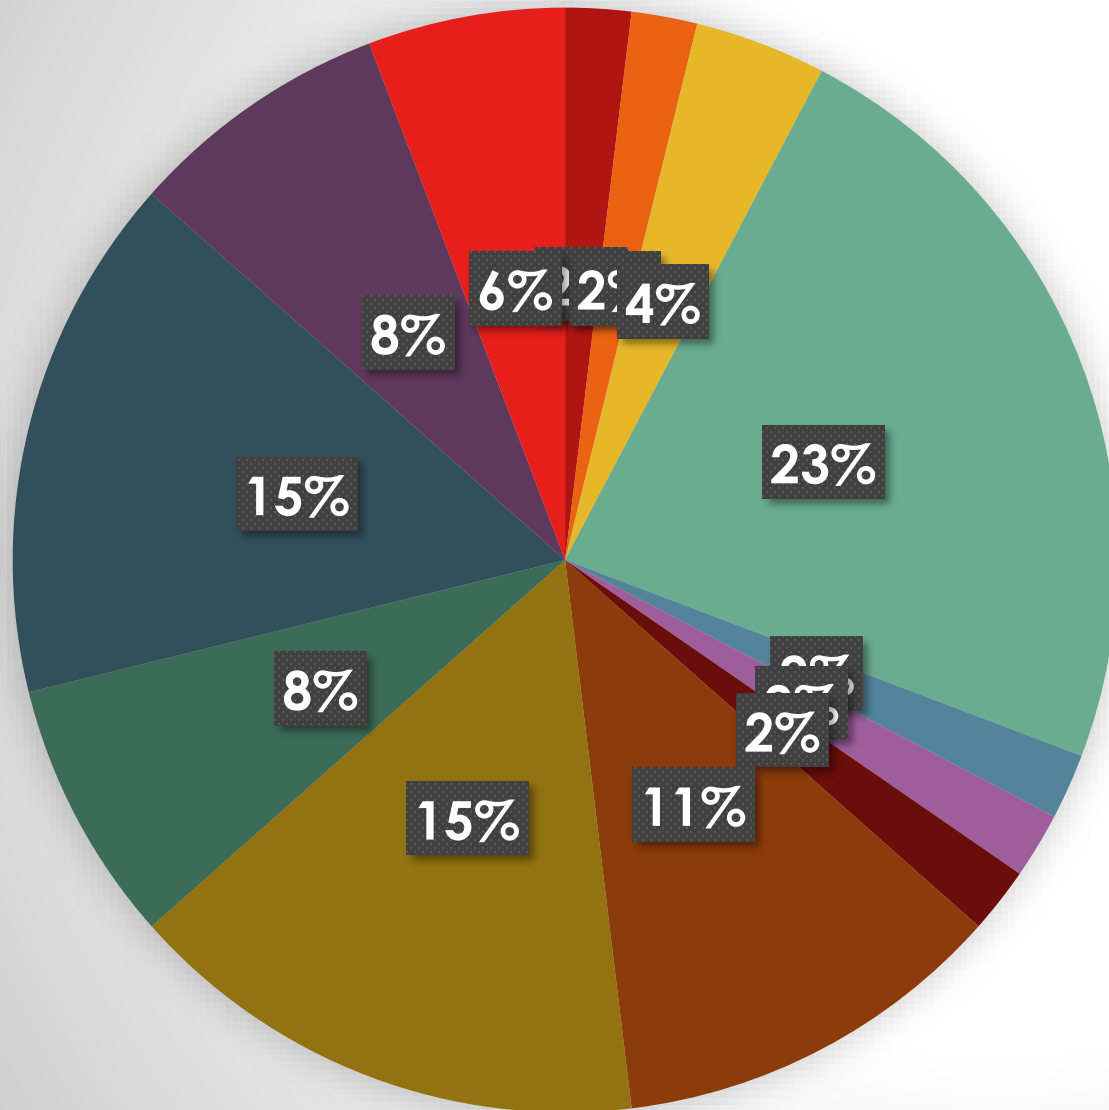

■ Others

■ Private

■ Public

Policy Areas

- Child protection
- Climate change
- Disability rights
- Education
- Elections
- Entrepreneurship
- Finances
- Gender
- Governance
- Healthcare
- Implementation of the SDGs
- Legal Research
- Other

Two Main Findings

1- There are good policies in place but not in practice

**A serious gap between existing policies/
frameworks and their implementation**

2- Concerns about national debts

**How to balance lack of financial resources/
budget allocations with the growing need for
more social interventions**

How can this toolkit assist in promoting the implementation of CEPA Principles and public service delivery in Africa?

Guide to
reduce
inequalities

Highlight
root causes

Empower marginalized
communities

Address
knowledge gaps

Offer
resources

Support
operationalizing LNOB

Training tool

Awareness
raising
exercise

Guide advocacy and
campaigning for
change

THANK YOU
