Overview

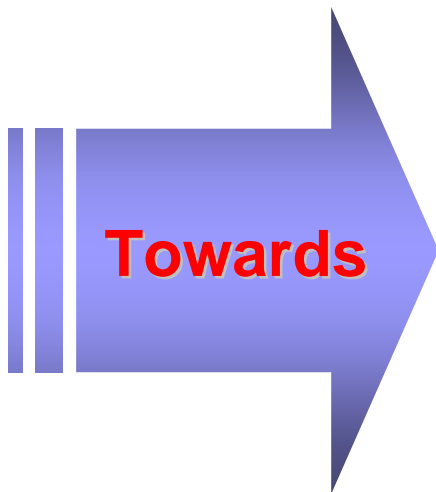

Our Way Forward

Our Strategy

Clear on mandate, demand and capacity

Focused

Result-oriented

Connected work process

Integrated service/products

Knowledge-based

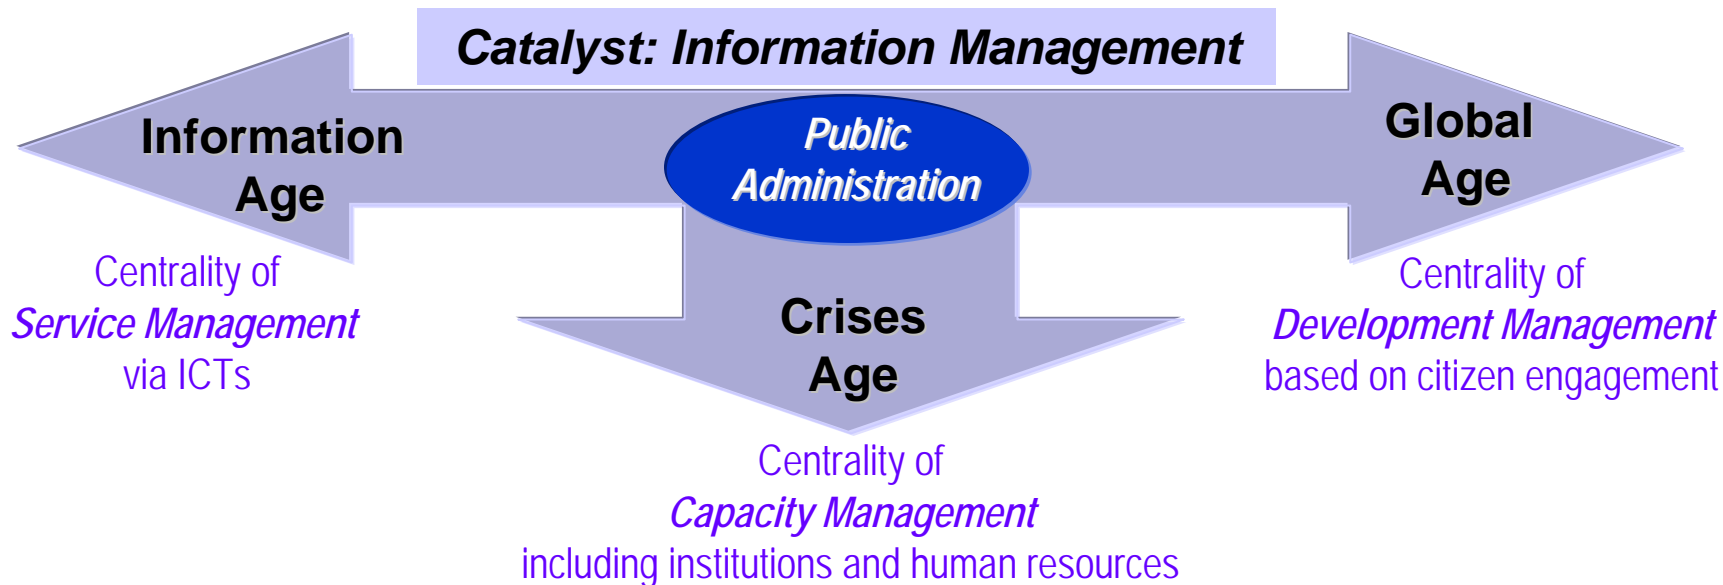

Our Challenges

- Producing value-added products & services which can make impact on development at regional, national and local levels
- Optimizing our limited resources and capacities for quality work
- Balancing between innovation and complying with bureaucratic rules
- Mainstreaming PA into the UN deliberations at highest level

Our Focus Areas

New Issues & New Responses

Theme 1
Micro-level / Front end

How ICTs can become effective enabler for PSD?

Theme 2
Meso-level / Back end

How can public institutions/civil servants be capable enough to support better PSD ?

Theme 3
Macro-level / Context

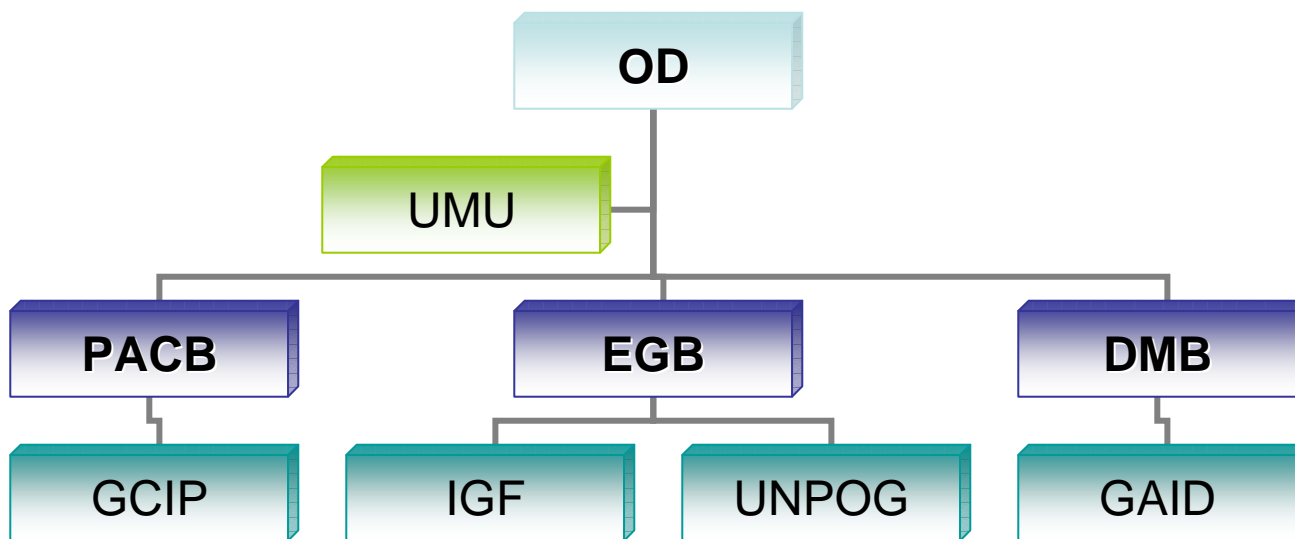

How public administration can be harnessed for development?
